

**Brush Use and Care Demonstration**  
**Royal Brush Company**

**2<sup>nd</sup> Saturday, July 8<sup>th</sup>, 2017**  
**10:00 AM - 3:00 PM**

Michael will be offering demonstrations and insights on brush use and care throughout the day. Learn and be exposed to the different types of brushes and the effects they can produce to push your work to new heights. From fan to mop, Michael will take you through these brush types and show you how to apply them to your own work. Approaching the glazing process can be intimidating, however this fun and informative demo will cut through the veil of mystery that can surround glaze application.
