

**Michael Harbridge
Presents a "Puzzling"
Mold Workshop**

**2nd Saturday, August 12th, 2017
10:00 AM - 3:00 PM**

Michael Harbridge will be giving a demonstration of his Puzzler molds, an easy way to create forms by pressing wet clay into plaster molds. From vases and urns to trees and more natural subjects, see these molds in action and gain new insights to bring back with you to the studio. Throughout the day he will share his insights on this process and discuss ways of finishing the surface.
